ESTABLISHMENT OF PROTOCOLS FOR REPORTING CASES OF COVID-19 STIGMA AND DISCRIMINATION IN EDUCATION SETTINGS. Deadline: 21 May 2021 (applications reviewed on a rolling basis)

About
ZNNP+ is an umbrella body that represents the interests of people living with HIV in Zimbabwe in their diversity. The organization is represented in support groups and community-based organizations at all provincial, district and ward levels of Zimbabwe. ZNNP+’s mission is “An environment where people live positively.”

Background
Zimbabwe National Network of People Living with HIV (ZNNP+) with support from its partners is implementing a project on reducing COVID-19 related stigma and discrimination in education settings, particularly among teachers and learners with underlying health conditions.

Scope and Purpose of Assignment
The purpose of this consultancy is to establish protocols for reporting COVID-19 related stigma and discrimination for teachers and learners. The Consultant will produce an Inception Report with methodology, workplan, outputs and proposed data collection tools; produce a draft protocol for review by key stakeholders, produce a final report. Have protocols translated into SiNdebele and Shona.

Qualifications
The consultant must prove to have done previous work related to the assignment; at least a Masters Degree in Public Health or Social Science/ Equivalent and with significant experience in research design and evaluations; a minimum of 5 years’ experience in public health and experience working on COVID-19 related interventions.

To apply
If you meet the above criteria send your proposal including budget and three contactable referees to: The Executive Director, No 28 Divine Road, Milton Park, Harare or via email jobs@znnp.org
PLHIV and women who meet the set criteria are strongly encouraged to apply.
